February 2017

National Trust SA, Moonta Branch is coordinating the Grand Procession for Kernewek Lowender in 2017 and is looking for groups and individuals to be involved. Please find enclosed the entry form for the event.

Moonta's day is on Friday the 19<sup>nd</sup> of May, 2017. The 2015 event was a huge success and we expect the 2017 festival to attract even larger crowds. We would love the local communities, businesses and organisations to really get behind the event and make it bigger and better than ever. The more people that can become involved, the more significant and enjoyable the day will be.

We are looking for a firm commitment from a variety of groups and individuals to ensure that the procession is a great success for the Copper Coast region as a whole. Further details will be provided to those who will be participating in the near future. Please complete the enclosed form and return to us, using the details provided, if you wish to participate.

If you have any questions or would like further information please don't hesitate to contact me using the details above.

Regards,

*Linda Thatcher*
