

KERNEWEK LOWENDER COPPER COAST CORNISH FESTIVAL

MOONTA | KADINA | WALLAROO

12th-18th May 2025

Looking for a view? Find it from the driver's seat.

We're all about a good road trip. Where your adventure begins before reaching your destination. Cruise the coast where the beaches stretch for days and starry nights light your way. Pull over to feel the sand between your toes and the salty wind in your hair. When the sun sets, find a spot to set up camp where your only neighbours are the kangaroos.

Take a look, pick a direction and see where the road takes you.
